

Incredible Hulk (1962-1999) #112: An In-Depth Review

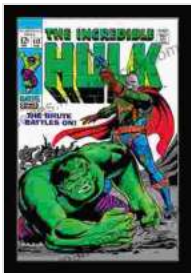

Incredible Hulk #112, published in 1978, is a pivotal issue that marked a significant turning point in the character's history. Written by legendary comic book writer Stan Lee and illustrated by the acclaimed Herb Trimpe,

this issue introduced several key elements that would shape the Hulk's future. Join us as we delve into the incredible world of Incredible Hulk #112 and explore its lasting impact on Marvel Comics.

The Incredible Hulk

The Incredible Hulk is a fictional superhero appearing in American comic books published by Marvel Comics. Created by Stan Lee and Jack Kirby, the character first appeared in The Incredible Hulk #1 (May 1962). The Hulk is the alter ego of Dr. Robert Bruce Banner, a brilliant physicist who was accidentally exposed to gamma radiation during a bomb test. As a result of the radiation, Banner transforms into the Hulk whenever he experiences strong emotions, particularly anger and fear.

The Hulk is a powerful and destructive force, but he is also a tragic figure. Banner is constantly struggling to control the Hulk, and he often feels guilty for the damage that the Hulk causes. Despite his destructive nature, the Hulk has also been a force for good, using his strength to protect the innocent and fight against evil.

Incredible Hulk #112

Incredible Hulk #112 is a significant issue in the character's history for several reasons. First, it marked the first appearance of Betty Ross in her new role as the She-Hulk. Betty had previously been a love interest for Banner, but in this issue, she is transformed into a gamma-powered heroine after being exposed to the same radiation that created the Hulk.

Second, Incredible Hulk #112 introduced Doc Samson, a psychiatrist who would become a key ally to Banner. Samson helps Banner to understand and control the Hulk, and he also provides him with emotional support.

Third, Incredible Hulk #112 marked the beginning of the "Green Hulk" era. Prior to this issue, the Hulk had been depicted with a gray skin color. However, in this issue, Trimpe changed the Hulk's color to green, which has remained his signature color ever since.

The Impact of Incredible Hulk #112

Incredible Hulk #112 had a major impact on the character's history. The of Betty Ross as the She-Hulk and Doc Samson as an ally gave the Hulk a new supporting cast. The change to a green skin color made the Hulk more visually distinctive and iconic. And the beginning of the "Green Hulk" era marked a new direction for the character that would continue for decades to come.

Incredible Hulk #112 is a classic issue that is still enjoyed by fans today. It is a must-read for anyone who is interested in the history of the Incredible Hulk.

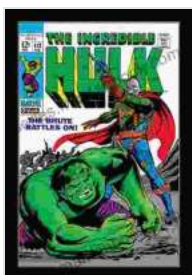

The Creative Team

Incredible Hulk #112 was written by Stan Lee and illustrated by Herb Trimpe. Lee is one of the most influential comic book writers of all time, and he is responsible for creating many of Marvel's most popular characters. Trimpe is a legendary comic book artist who has worked on a wide variety of titles, including Incredible Hulk, Iron Man, and Fantastic Four.

The creative team of Lee and Trimpe was a major factor in the success of Incredible Hulk #112. Lee's writing is full of action, humor, and heart, and Trimpe's art is dynamic and expressive. Together, they created an issue that is both entertaining and memorable.

The Legacy of Incredible Hulk #112

Incredible Hulk #112 is a landmark issue in the history of the Incredible Hulk. It introduced several key elements that would shape the character's future, and it helped to establish the Hulk as one of Marvel Comics' most popular characters. Incredible Hulk #112 is a must-read for any fan of the Hulk, and it is an important part of the Marvel Comics legacy.
