As a teacher, one of the most important things you do is provide feedback to your students. This feedback helps students understand their strengths and weaknesses, and it can also motivate them to improve their performance. One way to provide feedback is through report card comments.

Report card comments should be specific, meaningful, and actionable. They should also be positive and encouraging. Here are 201 report card comments that you can use to provide feedback to students in all subjects and grade levels.

## English Language Arts
