Prayer for Orphans

Dear God,

I pray for the orphans of the world. I pray for those who have lost their parents to war, disease, or natural disaster. I pray for those who have been

abandoned by their families. I pray for those who have never known the love of a parent.

I pray that you would comfort these children in their grief and loss. I pray that you would give them hope for the future. I pray that you would provide them with the love and support they need to thrive.

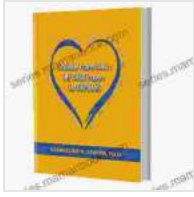

I pray for the orphanages and other organizations that care for orphans. I pray that you would give them the resources they need to provide these children with a safe and loving home. I pray that you would give them the wisdom to know how to best meet the needs of these children.

I pray for the staff who work at orphanages and other organizations that care for orphans. I pray that you would give them the strength and compassion they need to care for these children. I pray that you would give them the wisdom to know how to best meet the needs of these children.

I pray for the foster parents who open their homes to orphans. I pray that you would give them the love and patience they need to care for these children. I pray that you would give them the wisdom to know how to best meet the needs of these children.

I pray for the adoptive parents who adopt orphans. I pray that you would give them the love and commitment they need to care for these children. I pray that you would give them the wisdom to know how to best meet the needs of these children.

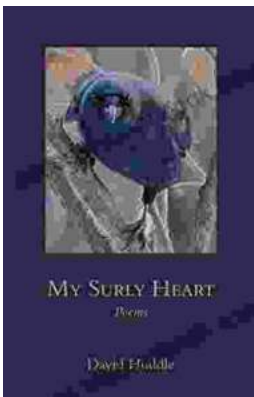

I pray for the churches and other organizations that support orphans. I pray that you would give them the resources they need to provide these children with the love and support they need. I pray that you would give them the
