*Selected Poems of Richard Aldington* was first published in 1928, and it has since been reprinted many times. The collection includes some of Aldington's most famous poems, such as "Love Song," "At the Villa," and "Choricos." These poems explore a wide range of themes, including love, war, and beauty.

### Love

Aldington's love poems are some of his most beautiful and passionate. In these poems, he celebrates the joys and sorrows of love, and he explores the complex emotions that it can evoke.

One of Aldington's most famous love poems is "Love Song." This poem is a simple and direct expression of the poet's love for his beloved. The poem is full of beautiful imagery, and it captures the intensity of the poet's emotions.

I love you as the earth loves the sun, As the sea loves the moon, As the

Another one of Aldington's most famous love poems is "At the Villa." This poem is a more complex and nuanced exploration of love. The poem describes the poet's relationship with his beloved, and it explores the challenges and rewards of love.

At the villa we laughed and sang And danced till the stars grew pale. We

## War

Aldington's war poems are some of the most powerful and moving poems ever written about the horrors of war. Aldington served in the British Army during World War I, and he witnessed the horrors of war firsthand. His war poems are a testament to the suffering and loss that war causes.

One of Aldington's most famous war poems is "Choricos." This poem is a moving and elegiac tribute to the young men who died in World War I. The poem is full of beautiful imagery, and it captures the sense of loss and grief that war causes.

They lie in Choricos, The young men who died in the war. They lie in the

Another one of Aldington's most famous war poems is "A Night in the Trenches." This poem is a vivid and realistic depiction of the horrors of trench warfare. The poem is full of powerful imagery, and it captures the fear and desperation of the soldiers who fought in the trenches.

We are tired, we are weary, We are sick of war and death. We long for pe

## Beauty

In addition to his love and war poems, Aldington also wrote a number of poems about beauty. These poems celebrate the beauty of nature, art, and music.

One of Aldington's most famous poems about beauty is "To Beauty." This poem is a simple and direct expression of the poet's appreciation for beauty. The poem is full of beautiful imagery, and it captures the sense of awe and wonder that beauty can inspire.

O Beauty, thou art a joy forever new! I love thee more than all the world

Another one of Aldington's most famous poems about beauty is "The Old Gods." This poem is a more complex and nuanced exploration of beauty. The poem describes the poet's search for beauty, and it explores the different ways that beauty can be found.

I have sought thee in the sunlight and the rain, In the wind and the st

*Selected Poems of Richard Aldington* is a collection of some of the poet's most famous and enduring works. These poems explore a wide range of themes, including love, war, and beauty. Aldington's poems are beautiful, moving, and thought-provoking, and they continue to be read and enjoyed by readers today.
