The story follows Claire, a young woman who is struggling to come to terms with the recent death of her husband. When she starts to receive mysterious messages and gifts, she is convinced that someone is stalking her. As she investigates further, she uncovers a web of secrets and lies that puts her own life in danger.

The novel is told from Claire's point of view, which gives the reader a firsthand account of her fear and confusion. The author does an excellent

job of creating a sense of paranoia and suspense, and the reader is constantly on edge, wondering what will happen next.

The characters in **Stolen** are complex and well-developed. Claire is a sympathetic protagonist, and the reader will root for her as she tries to uncover the truth. The supporting cast of characters is equally well-drawn, and each one plays an important role in the story.

The plot of **Stolen** is twisty and suspenseful. The author keeps the reader guessing until the very end, and there are several surprises along the way. The novel is well-paced, and the suspense builds steadily throughout the story.

Stolen is a well-written and gripping domestic psychological thriller. The author does an excellent job of creating a sense of paranoia and suspense, and the reader is constantly on edge, wondering what will happen next. The characters are complex and well-developed, and the plot is twisty and suspenseful. **Stolen** is a must-read for fans of the genre.
