The Books of The First Law

The First Law series consists of three books:

- *The Blade Itself* (2006)
- *Before They Are Hanged* (2007)

- *Last Argument of Kings* (2008)

The books follow the stories of a group of characters who are drawn together by fate. There's Logen Ninefingers, a barbarian warrior with a dark past; Glotka, a torturer and spy; Jezal dan Luthar, a young nobleman who is out to prove himself; and Ferro Maljinn, a warrior who is seeking revenge for the death of her family. These characters are all complex and flawed, and they each have their own unique motivations and goals.

The First Law books are full of action, adventure, and intrigue. The story is well-paced and the characters are engaging. If you're a fan of dark fantasy, then you need to check out The First Law.

The World of The First Law

The First Law world is a dark and dangerous place. It's a world where war is common and violence is a way of life. The people of The First Law world are hardened and cynical, and they have little faith in the goodness of others. It's a world where the strong prey on the weak, and where the innocent are often the first to die.

The First Law world is also a world of magic. There are many different types of magic in the world, and it can be used for both good and evil. Some people use magic to heal the sick and help the needy, while others use it to control and manipulate others. Magic is a powerful force in The First Law world, and it can be used to great effect by those who know how to wield it.

The Characters of The First Law

The First Law characters are some of the most complex and well-developed in all of fantasy. They are all flawed and have their own unique motivations and goals. You'll find yourself rooting for some of them, and hating others. But one thing is for sure: you won't forget them anytime soon.

Here are a few of the main characters in The First Law:

- **Logen Ninefingers:** A barbarian warrior with a dark past. He's a skilled fighter and a loyal friend, but he's also haunted by the things he's done.
- **Glotka:** A torturer and spy. He's a ruthless and cunning man, but he also has a softer side. He's loyal to his friends and he's always looking for a way to get ahead.
- **Jeza dan Luthar:** A young nobleman who is out to prove himself. He's ambitious and arrogant, but he's also brave and determined. He wants to be a hero, but he's not sure what he's willing to do to achieve his goals.
- **Ferro Maljinn:** A warrior who is seeking revenge for the death of her family. She's a skilled fighter and a determined woman. She's not afraid to do whatever it takes to get her revenge.

The Themes of The First Law

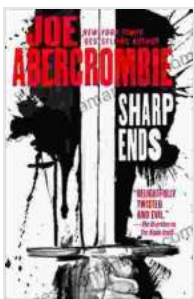

The First Law series explores a number of dark and complex themes. These include:

- **The nature of good and evil:** The First Law world is a place where the lines between good and evil are often blurred. The characters are

all complex and flawed, and they often make difficult choices. There are no easy answers in The First Law world, and the characters must often choose the lesser of two evils.

- **The cost of war:** The First Law series is a brutal and violent tale. The characters are constantly fighting and killing, and the cost of war is high. The books show the physical and emotional toll that war takes on the people who fight it.
- **The power of hope:** Even in the darkest of times, there is always hope. The First Law characters never give up, even when things seem hopeless. They always believe that there is a chance for a better future, and they never stop fighting for what they believe in.

The First Law is a dark and complex fantasy series, but it's also a rewarding one. The characters are well-developed and engaging, the story is full of action and adventure, and the themes are thought-provoking and relevant. If you're a fan of dark fantasy, then you need to check out The First Law.
