The novel is set in 1876, and Bell is working on a new invention that could revolutionize transportation. However, when he learns that a group of terrorists is planning to use his invention to destroy the city, he sets out to stop them.

Bell's journey takes him across the country and around the world, as he follows the terrorists and tries to stay one step ahead of them. Along the way, he meets a variety of characters, including a beautiful woman who helps him on his quest, and a ruthless villain who is determined to stop him.

The Race Isaac Bell is a fast-paced and exciting novel that will keep readers on the edge of their seats from beginning to end. Cussler's vivid descriptions and attention to detail bring the story to life, and his characters are well-developed and relatable.

If you're a fan of historical fiction, adventure, or survival stories, then you'll definitely want to check out The Race Isaac Bell.
